**COMMUNICATION RELATING TO YOUR INQUIRY DOSSIER SUBMITTED UNDER REGULATION (EC) NO 1907/2006**

The European Chemicals Agency (ECHA) has concluded the assessment of your inquiry dossier.

Based on the information in the inquiry dossier, ECHA has provided the following inquiry identifiers:

Inquiry number: **06-2120895272-48-0000**

EC/List<sup>1</sup> number for this substance: **204-062-1**

EC/List name for this substance: **propene**

The above identifiers need to be included in your registration dossier.

The information given in your inquiry was sufficient to provide the identifiers listed above. However, it remains your responsibility to decide with the other potential registrants and previous registrants whether the substances you each manufacture/import are sufficiently similar to be jointly registered.

In case you cannot agree that the substances can be registered together, you can contact ECHA Helpdesk.

**Information on previous and potential registrants**

The names and contact details of previous or potential registrants are available via the "Co-Registrants page" in REACH-IT. In accordance with Article 26(3) of the REACH Regulation, ECHA informs (if any) the potential registrants and the previous registrants having submitted data of your inquiry.

If information on a substance with the same EC/list number as listed in Article 15 of the REACH Regulation has been submitted under Directive 98/8/EC or Regulation 528/2012 concerning the placing of biocidal products on the market and the legislation on plant protection products (Directive 91/414/EC or Regulation 1107/2009), applicants<sup>2</sup> having submitted such information may also be found via the "Co-Registrants page" in REACH-IT. However, and following the end of operation of the SIEFs according to Article 29 of REACH, these applicants are not subject to the data sharing obligations under Article 27 of the REACH Regulation<sup>3</sup>. Similarly, the data they have submitted in this framework is not subject to Article 25(3) of the REACH Regulation.

<sup>1</sup>Note: Number starting with 6, 7, 8 and 9 refers to a list number which is a technical identifier and does not have legal significance.

<sup>2</sup>Note that this information is not exhaustive.

<sup>3</sup>See Article 16(2) of the REACH Regulation.
